Project Overview

Coopers Hill is the first site to be delivered by the Bracknell Forest Cambium Partnership, a 50/50 Joint Venture between Bracknell Forest Council and Countryside Partnerships.

This sustainable development will create an inclusive community for first-time buyers, older people, and young families. When complete, Coopers Hill will provide a range of 52 well designed new homes that will consist of 34 houses and 18 apartments.

The development will provide high quality tenure blind new homes with open space along the western boundary of the site.

We thank you for your continued support and patience whilst we carry out these works.

Construction Update August 2022

The demolition of the main structures and the removal of the existing foundations have been completed. Over the coming weeks the appointed contractor will be commencing site setup with a presence on site expected in August 2022.

Construction hours will range between;

Monday – Friday: **8am - 6pm**

Saturday: **8am – 1pm**

The site has been voluntarily registered for the Considerate Constructors Scheme and agree to abide by the Code of Considerate Practice.
